Academy of General Dentistry
PACE Program Approval for Continuing Education

ADA C.E.R.P.* Continuing Education Recognition Program

The Dental Society of Chester County and Delaware County is an ADA CERP recognized provider approved by the Pennsylvania Dental Association. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The Dental Society of Chester and Delaware County designates this activity for six credit hours per course of continuing education credits.

Restorative Materials & Techniques Simplified 2018

This lecture provides an overview of the restorative options you should be considering today as well as a comprehensive discussion of the new emerging technologies and materials. Dr. Brucia has learned firsthand through his extensive experience on the quest to conquer what will truly result in great outcomes for both patient and provider. This course will incorporate numerous photographs, case studies, and practical tips and techniques. The emphasis throughout the course will be on providing you with a practical, hands-on, direct approach to restorative dentistry.

Wednesday, April 3, 2019

Clinical Technology That Can Improve Your Practice Without Having to Retire Your Plan

Dr. Flucke will show how the internet is the forecast for the latest and greatest products and devices — you can’t have it for free! He will discuss the history of the tech industry and how high speed internet and 3D printing are changing the world. From dental technology to the world of space travel, technology is changing the world every day and how an office can come in and be ahead of the game.

Wednesday, May 1, 2019

Creating Powerful Practices: Understanding Emotional Intelligence

Dr. Bill and Bill will end the class with a hands-on exercise to help you apply the knowledge and tools learned to your own personal and professional life.

Thursday, November 1, 2018

Dr. Mark is the Principal of Funktional Consulting, Lead Faculty for Clinical Education at ProSomnus Sleep Dentistry, and an Associate Professor of Diagnostic Sciences at the University of the Pacific, Arthur A. Dugoni School of Dentistry in San Francisco, California. For over 20 years of general practice experience in San Francisco, he has served on clinical practice administration and chair of the Department of Diagnostic and Emergency Services. He is a general dentistry clinical instructor, as well as having taught many courses of Pacific since 1994. He has been a faculty, consultant, and lead moderator for many online sleep medicine and sleep dentistry courses, and for eleven consecutive years, has been recognized as an Annual Leader in Continuing Education by Dentistry Today. Dr. Mark reports no financial relationships relevant to this presentation to disclose.

Friday, October 5, 2018

Dr. Brucia is a graduate of the University of the Pacific School of Dentistry where he is currently an Assistant Professor of Dental Practice and a Researcher in the field of electricity fall since in San Francisco, California.
